

Yet another year
has come and gone
and the care and
compassion has been
the same. You guys
are amazing at what
you do and we are so
thankful for all you do
for our Mother. It is
a great piece of mind
to know you are there.
May you all have a joyous
and healthy season..

To the wonderful
staff @ McPeaks

May happiness fill your holidays
and your new year, too!

Love
