RE: Edwin Weinmann

Dear Mr. McPeak,

I want to thank you for making a difficult day run smoothly for my uncle's transition into your home. I could see that your staff made him feel comfortable and have his best interests at heart. Your director, Jennifer Turner, was extremely professional and friendly and also made us feel at ease.

I know he is going to be happy living in your home and I am very thankful there are people like you in this world making it a better place for our elderly relatives to live a more productive life.

Sincerely,
