

James  
I wanted to  
thank you & the staff -  
Jennifer, Sarah, Myra  
& all the girls  
for taking such  
good care of our  
mom.

I wanted to stop in after  
I emptied her room but  
my emotions got the best  
of me when I closed the  
trunk on my car with all  
of her belongings inside.  
Thank you, Thank you  
Duke & Lori  
and family
