If you should ever  
need a reference for your  
facility, please do not hesitate  
to call me. I would only  
have good things to say.

Dear Mr. McPeak,

Words cannot express  
how grateful my family and I  
are for the wonderful care you  
and your staff have provided  
for my mother over the past  
few years.

I once told you that I hoped  
she could live out her days with  
you, and happily she did.

Sincerely,

Joan
